

NOTES FROM THE EDITOR

I am proud to present our Navy Leader Planners for 2000. Thanks to all of you who took the time to provide beneficial feedback via our 1999 questionnaire. I have read your suggestions and ideas, and have incorporated as many of them as possible.

I take this opportunity to express my appreciation to all of the dedicated users who help make the Navy Leader Planner a useful tool for shipmates throughout the world.

For Year 2000, two versions of the Navy Leader Planner are available to the fleet. Please take note of the minor differences in title.

- 8.5" x 11" is in the standard monthly format.
- 5.5" x 8.5" is in a weekly format that will fit into a day planner/organizer (3-hole).

Both versions are available via the Navy Supply System. Stock numbers are:

The Navy Leader Planner is published annually by the Chief of Naval Education and Training. It contains calendars, important dates, historical tidbits, references, phone numbers, and other information that may be useful to all **Navy Leaders**.

A feedback questionnaire is part of the Navy Leader Planner every year. Your comments and suggestions are encouraged. When providing feedback to CNET via the questionnaire, **U.S. postage is NOT required.** Official mail metering or official U.S. postage is authorized for mailing the questionnaire.
